WE...

as a gesture of thanks and respect, dedicate the 1963 Surf to the Boosters Club. This outstanding organization has enhanced our school by their generosity and good will. The Boosters Club gave us the lights for our football field, and we, in return, are giving them the lights of the future.

A second year in the life of Palisades High School has passed, a year in which it has been our great good fortune to be Palisades Dolphins, some of us as students and some of us as staff members. We have worked together, faced problems together, enjoyed successes and borne disappointments together, in this the school we love. The personalities, activities, and achievements of the year are vividly and interestingly recorded in this splendid edition of our annual, THE SURF.

I take special pleasure in extending very best wishes for success and happiness to all the members of the distinguished graduating classes of 1963, who only can claim the honor of being the first to graduate from this high school. Aloha!

CLASS SONG

Poseidons, Poseidons, of Pali High
Honor and glory will never die
In our sweaters of blue and green
On the top will always be seen.

Pali Hi, Oh! Pali Hi we never will forget
All the fun that we have had and the
friends that we have met
Winter Class of '63, Oh! but we are great
If they all don't know yet — They don't rate.

Poseidons, Poseidons of '63
First and best we'll always be
Even tho' our class is small
Remember that our spirit is tall.

Pali Hi, Oh! Pali Hi we'll soon be
leaving you
All the memories we have had will be
within our view
Looking forward to the future, but
before we do
There is something we must say —
WE THANK YOU.

Poseidons, Poseidons of Pali Hi
Honor and glory will never die
In our sweaters of blue and green
On the top will always be seen.

The campus is lonesome
after graduation . . .

Under the enthusiastic leadership of Cindi Carlson, head cheerleader, our varsity cheerleaders have outshown, outwitted, and excelled in every possible form all the other varsity cheerleaders in the Western League. They, with the help of our drill team, the Dolphins, encouraged the students of our fine school for an outstanding spirited season.

Many thanks.

Mr. North, Varsity's fine head coach, whipped our linemen into being one of the toughest in the league.

Mr. Stanfield helped shape our backfield into one of the finest in the league.

JAMAICAN CLASS OF 63

We will always be loyal to thee;
All our days we will sing in praise,
Of our last two years at Palisades.

With our colors of green and white,
We've got spirit and lots of fight;
Our song is sung out loud and clear,
As our final days are drawing near.

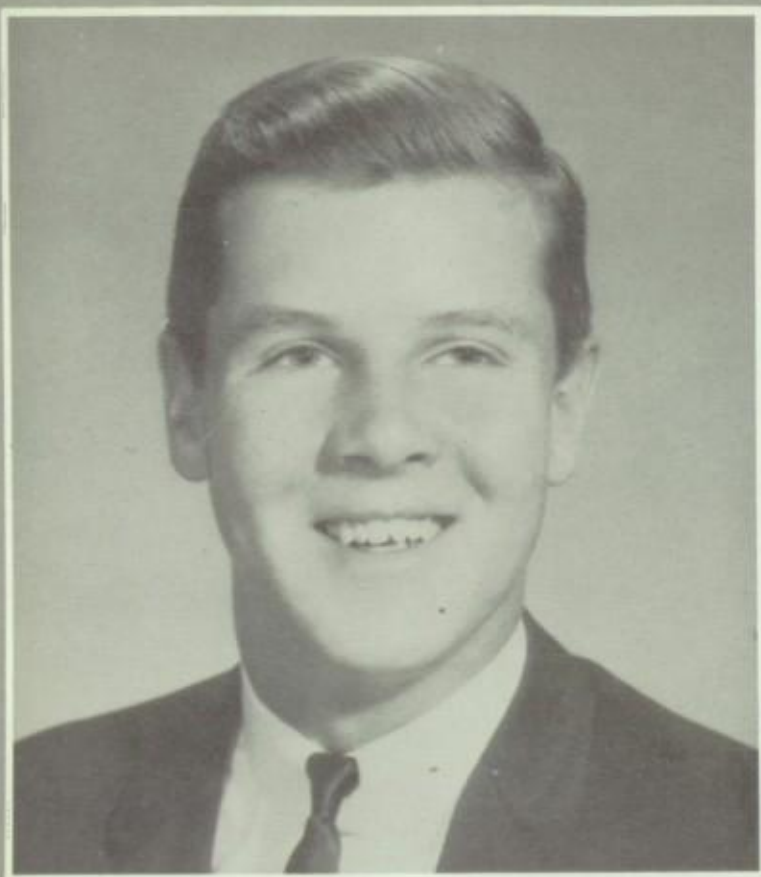

All our memories at Palisades,
All the good friends that we have made . . .
We'll look back upon the past,
As the first graduating summer class.

We're sad to say we're on our way,
We thank our sponsor Mr. Kay . . .
All our days we'll sing in praise,
Of our last two years at Palisades.

THE VARSITY team this year is out to better last season's 3-2 record, including a victory over a strong Uni team, and have already shown that they can by beating Hamilton and Westchester by scores of 67-28 and 74-21, respectively.

The team, under the fine coaching of Mr. Wilking and Mr. Drake, is extremely strong in freestyle events this year. The freestyle relay, made up of D. DeGroot, D. Moody, P. Menkin and K. Oleson, looks like a city contender as they have easily won every relay race this year. T. Schabel and J. Gould have placed 1-2 in the 400 yard freestyle in every meet so far and D. Waller looks better in every meet. K. Oleson has gained many valuable points for the team in the 200 yard freestyle with J. Gould and D. Barrow placing well in this event, also. There have been several 1-2-3 sweeps in the 50 yard freestyle and 100 yard freestyle this season. D. DeGroot, P. Menkin and D. Moody are the 50 yard freestyle entries while D. DeGroot, K. Oleson and C. Gooding are the 100 yard freestylers.

T. Swanson and T. Schabel have gone 1-2 in the 200 yard individual medley through the early part of the season. T. Swanson should be at the top in this event when city finals are over. Swanson has also placed well in the 100 yard backstroke, 100 yard breaststroke, 100 yard butterfly, 200 yard freestyle and 400 yard freestyle in his brief two year high school swimming career.

The three varsity divers are C. Manning, G. Schoolfield and M. Wainman. The team is strong in the 100 yard backstroke and 100 yard breaststroke with B. Newsome, D. Waller and G. Guild, G. Barrow swimming these events respectively. T. Pattee and C. Manning handle the 100 yard butterfly very well and have both gained points for the team in this event. An undefeated medley relay consists of: T. Swanson, backstroke; D. Guild, breaststroke; T. Pattee, butterfly; and P. Menkin, freestyle. The two managers this year, R. Butler and J. Raskin, do an extremely fine job and add to the teams' battle for the league championship.

CEES:

Top row: D. Hanseth. Middle row: J. Raskin, G. Westin, R. Young. Bottom row: R. Feingold, J. Wieder, D. Weckler, K. Newton, T. Moore.

COACH WILKING COOLS OFF

THE BEES

have already improved on last year's record of 0-5 as they have tied Hamilton and whipped Westchester by the scores of 43-43 and 70-15, respectively. The much improved team has two returning Bees, five returning Cees, and some fine sophomore swimmers to give the team a chance to gain the league title.

The Bees have to depend on their freestylers for most of their points. Returning Cee league champ in the 50 yard and 100 yard freestyle, R. Riffenbark, makes these events strong with R. Sirott also swimming a fast 50 yard race and G. Bradley close behind Riffenbark in the 100 yard freestyle. Bradley and J. Farber are both very strong in the 200 yard freestyle. The freestyle relay includes R. Sirott, G. Bradley, J. Farber and R. Riffenbark.

B. Austin is the top Bee diver with H. Reynolds also diving. J. Wright is improving fast and looks like a comer in the 100 yard breaststroke, but has to continue to improve to stay ahead of R. Urban. R. Urban also doubles in the 100 yard butterfly with J. Frank improving with every butterfly race he swims. All of the four backstrokers, H. Reynolds, D. Ceafferdini, C. Fields, and D. Hanseth are very close in the 100 yard race and continue to gain points in the meets. J. Altman and M. Pierce both swim a good 200 yard individual medley. The medley relay members are: H. Reynolds, backstroke; J. Wright, breaststroke; J. Frank, butterfly; and R. Sirott, freestyle.

THE CEES

have one returning member this year, R. Feingold, and should better the 3-2 record they posted last year. Freestyle is the main factor in the two wins for the Cees this season as they have beaten Hamilton and Westchester by scores of 34-26 and 48-18 respectively.

K. Newton, is undefeated in the 50 yd. freestyle this year with T. Moore right behind him. The freestyle relay, consisting of T. Moore, R. Feingold, C. Lobe, and K. Newton, is undefeated so far, in league competition.

K. Newton and R. Young fill the breaststroke event, with Newton being unbeaten in this event. G. Westin swims the 50 yd. backstroke and the 100 yd. individual medley. R. Feingold swims the 100 yd. individual medley also. The butterfly is strong this year with J. Wieder and D. Weckler swimming it. The undefeated medley consists of G. Westin, backstroke; R. Young, breaststroke; J. Wieder, butterfly; and R. Feingold, freestyle.
